Participant's Undertakings, Warranties and Compliance with Safety Requirements for Scuba Diving

I am fully aware of the inherent hazards as well as the physical and safety requirements for scuba diving, and I hereby voluntarily, knowingly and freely undertake and warrant the following:

1. I have been properly advised and thoroughly informed by **Cebu Sea Explorer Water Sports Inc.** (the "company") of the inherent hazards of skin diving, freediving and scuba diving. (Diving is an exciting yet demanding activity).
2. It is my own and sole decision to participate in all water sport events of the dive center well as all other events (the "events") on my own risk, responsibility and accountability. Accordingly, I hold the company, its principals, owners, directors, officers, employees and agents free and harmless from any and all liabilities, obligations and claims arising from my participation in the events. I shall not set up any liability (civil, criminal or otherwise, whether or not involving a sum or sums of money or damages), claim or obligation arising there from against the company, its principals, owners, directors, officers, employees and agents, and hereby release, remise and forever discharge them from whatever claims, in connection with my participation in any of the events.
3. I shall take good and reasonable care of the equipment entrusted to me and that in case of damage or loss, I will pay therefore including but not limited to the restitution of the equipment's full acquisition value as determined solely by the Company.
4. I shall not dive in any of the following instances: After consuming alcoholic beverages or drugs, after taking strong medication or if I am not feeling well. I will solely pay for any and all expenses that may be incurred by me for participating in the events, including but not limited to the costs of transfer to and from the resort, sailing to and from the dive spots, boat transfers, boat accidents, especially treatment, rescue and transport costs.
5. If I should suffer from any inability to make my own decisions, I hereby authorize the organizer to make such decisions for my health, safety, welfare and well being as he solely sees fit and necessary. The expenses that may be incurred in such instances will be exclusively borne by my self or my legal representatives.
6. I hereby affirm that I have been thoroughly informed and properly advised by the company's staff on the safety rules and regulations. I have accepted these rules regulations and will follow strictly the instructions of the dive center staff.
7. All the information and data given by me herein are true and correct. Any and all losses or damages that may be caused on account of or arising from my misrepresentation shall be for my exclusive account and responsibility.
8. Venue of all actions arising from or pertinent to this contract shall be filed in the competent courts of Cebu City Philippines to the exclusion of all other courts.

Sea Explorers safety rules and regulations Before Diving:

- Every diver signs the guest record data & waiver in his own language when available
- Must present his/her certification cards from a recognized diving association (including Nitrox cards for those diving with Nitrox)
- Must present his/her medical certificate valid for one year. If there is no medical certificate, a PADI standard medical statement has to be signed.
- A second air source on the regulator is compulsory.
- Buddy check before diving.
- The local dive guide is the leader of the diving group. His decision has to be respected and followed for everyone's safety
- A diver suspected to be under alcoholic influence or strong medication/drugs is not allowed to dive.

During diving

- Every diver has to show to the dive guide when he/she reaches 100 bars/1500psi and 50bars/750psi of air pressure in the tank.
- The dive is stopped when a diver in a group reaches the minimum of 25bars/375psi in the tank.
- Max depth of 20m/60ft for open water diver or equivalent certification.
- Max depth of 40m/120ft for advanced open water diver, deep diver specialists or equivalent certification.
- Decompression dives are not allowed, dive only within the limits of the RDP or dive computer.
- No gloves, if gloves are absolutely necessary, the dive center must be informed and a medical certificate must be presented if available.
- No collecting or touching of any shells, corals or any other underwater creatures either dead or alive.
- Respect fisherman's properties such as active fishnets, fish cages etc. Don't go near or touch it.
- The branch manager or the local dive guide may stop a diver from diving if his/her behavior underwater is destructive for the environment or dangerous for the diver him-/herself or the other divers.

I have read and understood the waiver and do hereby agree to the rules and regulation listed above
